

# 1st Annual Youth Outdoor Skills Day

June 4, 2016 10am-3pm  
Nampa Sportsman's Warehouse

Sportsman's Warehouse and Idaho Youth Outdoors are hosting a Youth Outdoor Skills Day. We're excited to kick off the summer with an awesome educational event that will get kids excited about the many activities available to them in the great outdoors. We'd like to invite organizations and agencies to partner with us at this special event. A space will be provided to set up your educational booth. You will have the opportunity to promote your organization or agency while teaching kids an outdoor skill and encouraging them to get outside this summer. The event will be held in the parking lot at the Nampa Sportsman's Warehouse. There is plenty of room for interactive booths and activities. We look forward to working with you and providing an exciting event for the kids.
