GET READY!!!**

The Idaho Traditional Bowhunters Club is hosting a 3D Target Auction you won't want to miss it!

We're lightening the load on our target trailer—so we're letting go of some of our beloved, “gently-used” 3D targets. This is your chance to snag one (or more!) at a great deal!

Whether you're looking to spice up your backyard range or grab a cool conversation piece, come join the fun, place your bids, and take home a piece of the action!
