Preserving & Promoting Traditional Bowhunting in Idaho

PURPOSE OF THIS MEETING

Recap of the NWTAE & planning for ITB Spring Fling Archery Shoot, March 7th & 8th.

President's Report

I want to thank all of you for showing up tonight and for continuing to support our organization. It takes commitment to keep something like this going strong, and I don't take that lightly.

Membership is on the rise. Last year we ended 2025 with 94 paid members, we currently have 34 paid 2026 members and we have yet to host our first event (*which is usually when most people sign up*).

Our foundation is solid, and it shows. The heart of this group has always been rooted in preserving and promoting traditional archery, and that purpose continues to drive our decisions, our leadership, and our events. Lately, we've been hearing consistent praise for our group's communication and organization and that tells me we're staying true to who we are and why we continue to exist.

Preserving & Promoting Traditional Bowhunting in Idaho

Old Business

A HUGE thank you to Traditional Archers of Oregon for the incredible amount of hard work that goes into hosting the NWTAE! Events like this don't happen by accident, they happen because dedicated people pour their time and energy into making them special. And thank you to everyone who made the trip, vendors, spectators, friends, and family. Your support, passion, and presence are what truly make this event something special!

ITB will be distributing a follow-up survey to our membership this weekend. That same survey will also be shared with officers from the other participating states to distribute to their members. Our goal is to gather meaningful feedback, identifying what the event is doing well and where we have opportunities to improve.

New Business

Spring Fling 2026: March 6th, 7th & 8th

The location has been secured, and Shawn will pick up the gate key prior to the event. Do we need a porta potty? He has also contacted the local Sheriff's Department regarding having a club member stay overnight on-site to monitor the targets - **Any Volunteers?**

Dave & Lisa Hall will bring the trailer to the shoot on Friday for setup. We will confirm a time during this meeting if possible. We will need help setting up the course - **Any Volunteers?**

We need help from someone with an ATV/Trailer to help set the targets - **Any Volunteers?**

Kids Medals (4 classes, 3 per class = 12 medals) will be awarded on **Saturday ONLY**. Shawn needs to go to Meridian Trophy to order the remaining medals and additional medals for Meadows Valley Traditional Rendezvous.

New this year will be Door Prizes. More on this during the meeting!
